## 2012 Oklahoma City Road Show

We are excited to begin our 2012 Road Show tour in Oklahoma City on Thursday, February 16 at the Cambria Suites, 4410 SW 19th Street, Oklahoma City, OK.

We have listened to your feedback and changed the format this year to allow you to attend the portion of the afternoon that applies to your company.

As always this is a FREE event, and all clients and potential clients are welcome to attend.

For complete details, visit our Road Show information page on our web-site by [clicking here](#).

To Register for the OKC Road Show, [click here](#).

Future Road Shows will be held in the following cities and timeframes:

- Joplin, MO - May, 2012
- Tulsa, OK - September, 2012
- Ft. Smith, AR - November, 2012

Check our web-site regularly for the latest information as we finalize the details for these future Road Show meetings.

## Welcome Ron Smith!!

Please join us in welcoming Ron Smith to the Steward Consulting staff. Ron joins our team with over 15 years experience as a Sage MAS 90 and 200 Software Reseller and Consultant. In addition, he has served as the corporate controller for a local company that used Sage MAS 200 as their ERP solution. This experience, as well as his Bachelor's Degree in Accounting, allows Ron to bring a wealth of knowledge and experience to both our firm and, you, our clients.

As a software consultant, Ron will specialize in implementations and systems/process consulting. To contact him directly, Ron's e-mail is: [rsmith@stewardconsulting.com](mailto:rsmith@stewardconsulting.com).

Welcome to the SCI Team, Ron!!

## New Phone System

Steward Consulting will be implementing a new phone system in the coming weeks. The new system will provide us more advanced features in managing our calls.

As of the publication of this newsletter, the specific installation date has not yet been set. We do not anticipate any telephone outages during the new systems installation. However, we will notify you in advance of the scheduled installation and will provide alternate numbers and methods of contacting us in the event we do experience an outage.
